

Card Exchange

You get your money on a payment card and can only withdraw 50€ per month in cash? But you need more cash? Then let's swap. This is how it works best:

1 Go to a shop and buy a voucher from Aldi, Lidl, Rewe, dm, Edeka. The voucher can be for up to 50€. You can find these voucher CARDS by the checkout.

2 Bring the voucher and the receipt to us and we will swap.

You will receive the monetary value of the voucher in cash.

3 You can find out when and where we exchange vouchers here:
